

# FIND A QUALIFIED, RELIABLE CONTRACTOR

USE THE EmPOWER CONTRACTOR NETWORK

**Washington  
Gas**  
A WGL Company

Starting April 1, 2019, only participating contractors in the EmPOWER Contractor Network will be able to offer Maryland residential customers Washington Gas rebates for the purchase and installation of high-efficiency natural gas products for home heating, water heating and more. Find a participating contractor that fits your needs and make full use of available rebates.

## PARTICIPATION IS EASY

- Search for a local, participating contractor by visiting [WashingtonGasRebates.com](http://WashingtonGasRebates.com)
- Have your participating contractor install qualifying energy-efficient equipment
- Your participating contractor will submit a rebate on your behalf

Call our Application Processing Center at 833-286-0860, between 8 AM to 7 PM, Monday through Friday for more information.

EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money.
